The holiday season was filled with so many great things it is hard to know where to start the recap!

We had a great Family Holiday Party the beginning of December. All month long, we were blessed with toy drives, graduation basket drives, "all things baby" drive, gift card drives and more. We were able to provide gift cards to our After Care families along with bags of goodies. As for our Rotational Shelter families, they had a fabulous Christmas with lots to be thankful for.

Thank you to all who contributed to the Family Promise Christmas initiative. It was a great success and with the help of some great volunteers, it went very smoothly!

We hope you and yours had a wonderful and blessed Holiday season as well. Thank you for being a vital part of our mission.

With love and appreciation,

Andrea Brantley

**AND THIS HAPPENED
YESTERDAY!!!**

THANK YOU

Norfolk Southern has awarded Family Promise a \$10,000 grant toward our Freedom to Work and Thrive project! Thanks to Norfolk Southern, more

families will be able to maintain their stable housing and avoid homelessness. Additionally, their funding will decrease the number of days in the shelter before families can return to independent housing, by assisting with housing downpayments, unpaid utility bills, and more.

Besse Johnson and George Blanton Allen Memorial Foundation

A \$5,000 grant was awarded this month from the Besse Johnson and George Blanton Allen Memorial Foundation toward Transportation for families in our programs. This Transportation project is part of the Family Promise Capacity Campaign, which is designed to increase the number of families served throughout our programs each year. Thanks to this grant, more car repairs, Uber/Lyft certificates, and gas cards will be provided to families within our Rotational Shelter and Housing Stabilization (aftercare) programs.

THANK YOU

Family Promise has been granted a partnership with MARTA transit for their Half-Fare Media program. This partnership will play a star role throughout our Emergency Response program to decrease daily costs on families struggling to maintain housing!
