

Family Promise

of North Fulton/DeKalb

CHECK THIS OUT!

What a blessing! Charity Cars, Classic Collision and Farmers Insurance teamed up and donated a car to a mom in our Rotational Shelter. We love to see folks collaborating to make a big difference in one person's life and in our community.

Many of our rotational shelter families have unreliable cars making it difficult for them to take their kids to school and to get to work. We are so grateful for organizations like these to help us further our mission and get families on more solid footing.

Welcome to our newest Board Member, **Sylvia Wyatt**.

Sylvia was the former owner and Director of All About Kidz, a child care center and preschool in Newark, Delaware.

Sylvia has 20+ years experience working for AT&T in many areas of business operations and sales.

Sylvia earned a B.S. degree in Business Management from Rutgers University and a M.A. in Corporate and Public Communications from Seton Hall University. She has volunteered with Homestretch in the past. Sylvia is active in her church and resides in Milton with her husband. She and her husband, Michael, are principals at Wyatt Evolutions, LLC, a Georgia based real estate investment management firm.

We are so thankful to

North Georgia United Methodist
Housing and Homeless Council
 Helping the Church serve our neighbors in need.

this Council for awarding us their capital grant for \$6,782. This money will go directly toward installing the necessary

doors to create our new Career Center for our guest families to use while in our program! We will finally have a beautiful space where they can research jobs, create resumes, take interview calls, and search for housing!

We are proud to announce that **The Imlay Foundation** has awarded Family Promise of North Fulton/DeKalb a \$15,000 grant to go towards our Freedom to Work and Thrive Program.

Thank You to **The Sandy Springs Society** for awarding us a \$10,000 grant toward our Freedom to Work and Thrive project. We are very blessed to have such support from this group and of our mission.
