Our 6th Annual Meals With Meaning was our best and most successful one yet! We hope you if you had a chance to attend, you had a great evening. If you have not joined us before, we hope you will plan to attend next year!

# Another new beginning for a family!

We are delighted for this recently graduated family. The smiles on the kids' faces are precious and heartwarming.

Dear Supporters,

On behalf of all the staff and families at Family Promise of North Fulton & Dekalb, please accept our most sincere gratitude for the incredible impact that you have made over the past year. Thanks to you, we provided direct, high-impact care to more individuals in 2023 than ever before. In addition, Financial Literacy Training classes were launched, numerous new small groups became faithful volunteers, and our events set record ticket sales.

Data and numbers are important, but even more impactful are the heartwarming stories of perseverance and regaining of independence that our families leave with us. We hope to share a few here and encourage you to follow along with our newsletters and social media outreach to stay updated on the power that your contributions are making throughout 2024 as well.

We appreciate all that you do and look forward to continuing to partner with you in the next phases of our journey.

With gratitude,

*Andrea Brantley*

# VOLUNTEER SPOTLIGHT:

## The heart and hands of our Rotational Shelter

### NCL FORSYTH

Thank you to this amazing group of ladies for providing sets of sheets for our graduating families and for the donation of pillows for our rotational shelter. We are grateful for NCL Forsyth's continued support through donations and invaluable help at our events.

## AMAZING VOLUNTEERS

### TEAM WORK

**Dunwoody Baptist Church** is a vital support to St. Luke's Presbyterian. Move In and Move Out work on Sundays goes so much faster with lots of helpers!

**Noah Hamilton** is a High School Junior in the IB program. As a part of a project, he came and helped with the revamping of our Kids Play Area at the Day Center. He redesigned the space for us and made it more functional and organized for kids. THANK YOU, Noah!

**Special Shout Out and THANK YOU to Rocky Mount** of Roswell Presbyterian Church for replacing all the wheels on our cribs. We appreciate you!
